TREASURES FROM OUR TRADITION

As a result of the reforms of the Second Vatican Council, the Church has defined a new pastoral plan for your care whenever you struggle with illness. There are rites for children, a communal rite for celebration in the parish, forms of care for the sick at each stage and transition, and for the desperately ill. There is a much broader interpretation of who may be anointed, including not only the visibly ill, but those battling addiction, or the elderly coping with the frustrating aches and pains of aging. Children under seven are normally not anointed, since the oil is associated with reconciliation. (For the same reason, they do not receive ashes on Ash Wednesday.) However, children close to that age who have a serious illness often gain a deep level of spiritual insight and maturity, and may benefit from catechesis for the Eucharist. Once admitted to confirmation and/or Eucharist, a sick child should be anointed. It is a great strength of our present rite that a section is included with prayers tailored to the experience and understanding of a child. Considering our recent history of being fairly sparing with this sacrament, the generosity of celebration today is helping us to retrieve an essential part of our tradition of reverence for the sick.
